

Overview

Commercial grade wall cupboards available in three standard lengths (800mm 1000mm or 1200mm long) with a choice of sliding or hinged doors. Wall cupboards are fully enclosed, fabricated in stainless steel. The internal mid shelf is removable and adjustable for height in 48mm increments. Designed with a flat roof as standard with the option of a sloping type roof.

Doors:

Hinged doors are soft closing and very easy to remove and adjust fitted with sturdy easy clip in hinges and black recessed handles.

Sliding doors are very easily removed for cleaning fitted with unique skid pads and black recessed handles. Offering a long and trouble-free service.

WC8S

- Available in 800mm 1000mm and 1200mm standard lengths.
- Adjustable height mid-Shelf.
- Standard cupboard height 600 mm. 700mm with the sloping roof option.

WC8H with sloping roof option

Options:

- Lockable doors [Two keys per lock].
Hinged or sliding door cupboard types.
Add "L" to the model code.
Example WC8SL :- 800mm long sliding door unit with door locks.
- Wall cupboard with a sloping top.
A sloping top to the wall cupboard is more hygienic as it reduces surface build up of dust and debris and is easier to keep clean.
Add "SR" to the model code
Example WC8SLSR :- 800mm long sliding door unit with door locks and a sloping top.
- Bespoke(Non standard lengths) Available on request.
